Genocide of indigenous peoples - Wikipedia

The genocide of indigenous peoples is the mass destruction of entire communities of indigenous peoples. Indigenous peoples are understood to be people whose historical and current territory has become occupied by colonial expansion, or the formation of a state by a dominant group such as a colonial power.

Colonization: A Global History - amazon.com

I was unable to progress far into Ferro's work due to the poor prose, i understand that this is a translation of the original French so i do not know if it is the way the work has been translated or Ferro's writing style, that made it hard to follow the arguments being made.
