Colleges That Change Lives: 40 Schools That Will Change ...

Colleges That Change Lives is an important contribution to the ongoing conversation about college choice, and when it was published, it was somewhat revolutionary. Readers get a sense of the college landscape circa 1996, and certainly gain an understanding of the author's biases toward "good, small colleges."

Colleges That Change Lives: 40 Schools That Will Change ...

Loren Pope's "Colleges That Change Lives" is a voice of reason and hope to parents and kids going through this process. He emphasizes what is really the point here: the education itself. I deeply appreciate his thoughtful analysis as to what makes a great college. For the past 2 years, this book has not left my night table!
