Fuck off Google - Don't let Google take over Berlin!

Don't let Google take over Berlin! Google plans to implant a "Google Campus" in Kreuzberg, Berlin. We, as a decentralized network of people want to keep our lives and spaces free from this law- and tax-evading company that is building a dystopian future.

5 Reasons You Should Be Scared of Google | Cracked.com

To be fair; when the Church of Scientology published the names of several members of Anonymous, Google took the right action and banned their YouTube account. Then they re-opened it, right around the same time AdSense was gorged with thousands upon thousands of ads for the Church.
