## **Inequality and Instability: A Study of the World Economy ...**

Measures of income inequality rose in the USA in the 1990s to levels not seen since 1929 and gave rise to a suspicion, not for the first time, of a link between radical inequality and financial instability with a resulting crisis under capitalism.

## **Inequality and Instability: A Study of the World Economy ...**

James Galbraith, son of John Kenneth Galbraith, who has been working for years in what he has described as the "backwater" of inequality research, is one of a small but growing band of economists who put inequality at the root of the crisis. His new book is a multi-layered work of scholarship. A key pioneering contribution is Galbraith's assembly of a wealth of new data on inequality for ...
