

Realities

Realities page provides an indexed list of digital ebooks for which has publication metadata. by clicking on the link bellow you will be presented with the portion of the list of ebooks related with *Realities*.

Reality - Wikipedia

Reality is the sum or aggregate of all that is real or existent, as opposed to that which is merely imaginary. The term is also used to refer to the ontological status of things, indicating their existence. In physical terms, reality is the totality of the universe, known and unknown.
