## Saying Uncle by Greg F. Gifune

Greg Gifune is a wonderful writer. This is why it pains me to write a lukewarm review of one of his works. This is a short (180-ish pages), story about Andy, our protagonist, his Uncle Paul, and what happened to Andy's sister when they were kids.

## Book review: Greg F. Gifune's \*Saying Uncle\*

Saying Uncle is a short novel at a mere 182 pages that I read in only a few hours, so deep was my interest and concentration. There's a nice introduction to the book by author Tom Piccirilli, who also mentions how great Gifune's work is. Gifune sets a standard that is far beyond the reach of most of today's writers.
