The Grand Idea: George Washington's Potomac & the Race to ...

'The Grand Idea' is a book with a very loose central theme - George Washington's vision (share by many others) of the westward expansion of the young United States, and his idea to use the Potomac River as the crucial tie that would bind the trans-Appalachian western frontier to the coastal population center.

The Grand Idea - Google Books

Like such classics as Undaunted Courage and Founding Brothers, Achenbach's The Grand Idea is a large narrative of a great man and his grand plan that captures the uncertainties and conflicts of the new country, the passions of an ambitious people, and the seemingly endless beauty of the American landscape.

The Grand Idea, by Joel Achenbach - Philo on Books

The topic of The Grand Idea is a little fuzzy. For a while as I read, I assumed—in keeping with the subtitle, George Washington's Potomac and the Race to the West—that the book was about George Washington's efforts after the Revolutionary War and before his presidency to promote the Potomac River's being the main water...
